COPY MAILED

MAY 19 2008

In re Application of :  
Michael McGlynn et al. :  
Application No. 10/724,479 : DECISION ON PETITION  
Filed: December 1, 2003 :  
Attorney Docket No. IPS-001 :

This is a decision on the petition under 37 CFR 1.137(b), filed February 25, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely reply to the Notice of Drawing Inconsistency with Specification mailed on September 28, 2006, which set a period for reply of one (1) Month or Thirty (30) Days, whichever is longer. Accordingly, the application became abandoned on October 29, 2006. A Notice of Abandonment was mailed on November 29, 2006.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of corrected inconsistency of the drawings within the specification, (2) the petition fee of \$770, and (3) a proper statement of unintentional delay. Accordingly, the reply to the Notice mailed September 28, 2006 is accepted as being unintentionally delayed.

Telephone inquiries concerning this decision should be directed to Kimberly Inabinet at (571) 272-4618.

This application is being referred to the Office of Data Management for further processing into a patent.
